Dear [redacted] STAT

Thanks so much for sending me your outstanding paper. I agree wholly with your estimate of the situation in Lebanon and the continuing danger of Soviet interference in the whole of the area.

One of my worries is that there is not enough understanding in this country of the KGB activity not only in the Middle East, but in Central America as well.

Do you intend to have the papers published by a magazine? If so, I will do anything I can to spread the word of its excellence.

Yours sincerely,
